RELEASE OF INFORMATION PERMISSION

Signature Date

Throughout the season TGSL players often receive coverage by local newspapers. This coverage may include the release of names and photos of players. Occasionally photos, but no names, are posted on the league's website. In order to comply with concerns that involve the right to privacy, TGSL has instituted this Release of Information Permission. Parents are asked to review and sign the release below. It is the goal of our league that all coverage is done in such a way as to protect the reputation of the league and players.

I hereby grant permission to the Taunton Girls Softball, Inc., aka Taunton Girls Softball League, to release my daughter's name and photo in news reports about TGSL activities in which my daughter may participate and to post photos of my daughter on the league's website. (Please note the league has no control over news photos taken by independent reporters at the fields.)
